Adrian/Fred: we would like to schedule a call for next week to discuss the Milorganite case. We are still attempting to negotiate an order. This week MMSD claimed that WDNR does not believe that State law/regs have been violated. We would like to discuss this claim with you as soon as possible. Please provide available dates and times for next week. Please cc Ryan on your response as I will be on travel next week. Also, I assume there may be others within WDNR who would be interested in the call. Please feel free to invite any others as appropriate.

Thanks,
Dean
